

TERRAS 16,11 m²

The site plan shows the layout of the school grounds. At the top is a large rectangular building labeled 'BLOK C'. Below it is a smaller building labeled 'BLOK A'. To the right of 'BLOK A' is a large, irregularly shaped area labeled 'SPEELVELD' (playground), which contains several green circles representing trees. To the left of 'BLOK A' is a blue rectangular area labeled 'PARKING'. At the bottom of the plan is a road labeled 'Spurkerweg'. The entire plan is enclosed in a black border.

This architectural floor plan depicts a multi-story building with a complex, irregular layout. A large, solid purple section occupies the left side of the plan, representing a wing or a specific functional area. The remaining parts of the building are shown in a light beige color with black outlines for walls, doors, and furniture. The plan includes several rooms, each furnished with appropriate items: bedrooms with beds and wardrobes, bathrooms with tubs and sinks, a kitchen with a stove and refrigerator, a dining area with a table and chairs, and a living area with a sofa and coffee table. A central staircase is visible, indicating vertical circulation. The building is surrounded by a grid pattern, likely representing a parking lot or a paved area. The overall design is modern and functional, with a clear distinction between the purple section and the rest of the building.
