

## Rooilijnplan Heerdweg

Stam nummer: 50

Legende :

A hand-drawn map of a river section, likely a cross-section or a plan view. The river is depicted as a winding channel with a brownish-orange interior. The banks are marked with various labels and measurements. On the left bank, there are several points labeled with 'Q.S.' (Quasi-Station) and 'S.D.' (Station Distance). A red arrow points to a specific location on the left bank, near a point labeled 'Q.S. 19.00'. The right bank features a series of points labeled 'Q.S.' and 'S.D.', with measurements such as '19.10 m', '19.00 m', and '19.00 m'. A red circle is drawn around a point labeled 'Q.S. 19.00' on the right bank. The map is drawn on aged, slightly textured paper.
