- Measurements are given on a gross basis, without finishing work. Some measurements and drawings can be subject to changes during construction.
 -Each difference being more or less and within acceptable tolerances, will mean a loss of profit to the buyer without price adjustments.
 -Changes may be made to this plan according to the realization requirements.

-The furniture and the flooring layout are given only as an example.
 -Full information about the radiators, electrical and ventilation equipment will be provided during construction.
 -The measurements of the radiators and the location of the false ceilings are given only as an example.
 -The kitchen layout and technical equipment sizes are provided for information only and are not contractual. Specific documents can be provided during construction
