

This architectural floor plan shows a room with several distinct areas and furniture pieces. The room is divided into three main sections by walls and a central corridor.

- Top Section:** Contains a long rectangular table with a width of 180 and a depth of 90. Two green chairs are positioned along the right side of the table. A blue office chair is placed at the top end of the table. To the right of the table is a curved wall with a semi-circular alcove.
- Bottom Section:** Features a circular table with a diameter of 125, surrounded by eight green chairs. To the left of the circular table is a rectangular table with a width of 180 and a depth of 90. Two green chairs are placed along the right side of this table, and a blue office chair is at the bottom end. A curved wall with a semi-circular alcove is also present on the left side.
- Central Section:** A long rectangular table with a width of 165 and a depth of 320. Two blue office chairs are positioned at the top end, and two more are at the bottom end. To the right of the table is a curved wall with a semi-circular alcove. To the left of the table is a curved wall with a semi-circular alcove.
- Right Section:** A curved wall with a semi-circular alcove. A yellow chair is positioned near the bottom right corner. A green chair is positioned near the top right corner.
- Dimensions:** Red dimension lines indicate the following measurements:
  - 180 (width of the top rectangular table)
  - 90 (depth of the top rectangular table)
  - 120 (width of the central rectangular table)
  - 320 (depth of the central rectangular table)
  - 165 (width of the central rectangular table)
  - 115 (width of the bottom rectangular table)
  - 125 (diameter of the circular table)
  - 180 (width of the bottom rectangular table)
  - 90 (depth of the bottom rectangular table)
  - 75 (width of the rightmost alcove)
  - 100 (width of the rightmost alcove)
