This is a detailed cadastral map of a residential area in France. The map shows a grid of property parcels, each labeled with a unique identifier (e.g., B621a, B481s2). The parcels are color-coded: yellow for land, green for trees, and brown for buildings. The map is oriented with North at the top. The streets shown are 'Rue de la Ferme de Sotteville', 'Rue du Mineur de Strépy', and 'Rue Huit Paumes'. The map also shows the locations of various buildings, including houses and commercial structures, and the locations of trees. The map is a technical drawing, likely a cadastral plan, used for land management and taxation purposes.
